CHIEF CLERK'S OFFICE

Petition for Modification of an  
Existing 9-1-1 Emergency Telephone  
Number System

00-0564

STAFF'S ANSWER TO THE PETITION

Now comes the Staff of the Illinois Commerce Commission (Staff) and in support of its answer to LIV COM's Petition for Modification of an Existing Emergency Telephone Number System, states the following:

1. LIV COM received an order to operate its Enhanced 9-1-1 System from the Commission on July 2, 1996, in Docket 96-0283.
2. On August 24, 2000, LIV COM filed a Petition to Modify its original application for Enhanced 9-1-1 service in which it requests to opt approximately 5 Cullom phone exchange customers from Iroquois County into its system.
3. On July 14, 2000, Iroquois County ETSB filed a Petition for Approval of a 9-1-1 Emergency Telephone Number System (Docket 00-0502) in which it opts out approximately 5 Cullom phone exchange customers to LIV COM. A hearing was held on August 30, 2000, and a final order is pending. Iroquois County cannot cut its 9-1-1 system live until all modifications related to its system have final orders.
4. Staff has thoroughly reviewed the County's Petition to Modify its original application and supports the petitioner's request for modification. In addition, Staff supports waiving a hearing in this docket.

Respectfully Submitted,
